Hello OFNHP! I'm **Jonathon Baker**, a Medical Laboratory Scientist at PeaceHealth SJMC with over 10 years of clinical experience and 5 years of union organizing/bargaining/stewardship expertise. I began my professional career in the USAF, serving 7 years, before becoming PeaceHealth LabPro Bargaining Chair in 2018. My work in union leadership includes prominent roles in 3 constitutionally governed committees and various ad hoc committees from arbitration, personnel, to external organizing. A resolute passion for equity, justice, and agency guides my vision for the future of OFNHP, emphasizing solidarity and strengthening bonds between ALL bargaining units. "We can be better, together."

### **Jodi Barschow, DNP, RN-BC**

RN 25 years, KP 13.5 years

OFNHP President, former RN BU Vice Chairperson and Contract Specialist.

Our frontline members leading organizing and action teams makes us strong! I support a democratic union, bargaining unit empowerment, and decision-making opportunities. Our member-led campaigns, historic

strike, and strike authorization vote, demonstrates our member power. I'm invested in leading with integrity and transparency as we continue to fight for staffing and as we focus on steward growth to improve our working conditions for all health care professionals. I will advocate for all and trust we will be stronger together.

**Sarina Roher:** RN for 17yrs, in Healthcare for 2.5 decades, working as a Care Coordinator in KSMC ED since 2017, currently doing LMP work as interim Labor Partner. In 2017 became a steward, in 2019 a UBT Co-lead. In 2020 joined the Executive Board as chair of the Pro BU w/goals to improve communication and transparency. Currently serve Social & Racial Justice, Policy, Safety, Communications, Arbitration, and Leadership Development Committees. I accepted this nomination because I, along w/other KP, Peace Health, and St. Charles leaders in our union, believe we can be a catalyst for continued growth and change

**Mindy Schiebler** - We in healthcare are collectively and deeply suffering from a poverty of staffing and toxic work environments, while greedy corporations are leaching Life and Labor to secure obscene profits and deploy golden parachutes to CEO colleagues and friends.

I am prepared to further the Local Labor Justice War at the Executive Secretary level. I currently serve as Elected Vice Chair/Steward (RN BU), fighting the uphill battles everyday, and as frontline staff at KSMC.

OFNHP Committees served: Personnel (Chairwoman), Leadership, Budget, Constitution, Policy.

Education: MSN (Population Health), Post Master's (Nurse Education), BSN RN.

Former Associate Professor of Nursing, Linfield University.

**Nicole Brun-Cottan:** Acute Care Physical Therapist at KSMC for 4.5 years. I am an OFNHP steward , a member of the 2021 Pro bargaining team, and serve on the Political Education & Action Committee, Social Justice Committee, and Communications Committee, in addition to working with AFT on policy and legislative matters. I will support our relationships in the community, where we are building coalitions of care to address the many challenges we face. I believe that we are strongest when we bridge our differences and work together transparently, across disciplines, bargaining units, and worksites, to support the interests of working people. Solidarity!

**Jamie Dobbs-** I'm a CCFP RN/relief RTT RN/MSICU relief CN at Sunnyside on night shift. I have been a steward since 2019. I have spent a lot of time working on traveler blocks in critical care. I am a steward delegate. I was also a member of the bargaining team this past year. While we were able to make some gains for our RN contract, there is still more work that needs to be done. I would love to be a voice

for the RNs to help continue to fight for our contract and what we deserve.
