

Patients Over Profits

**Kaiser workers authorized
a strike. The issues?
Healthcare worker
conditions and patient
care!**

**We are fighting to ensure
healthcare workers have
the conditions and
resources necessary to
care for our patients.**

**We are fighting for the future
of our healthcare system and
the working conditions we
need to protect our patients!
Join us on the picket line and
help us win healthcare justice
for our community and fair
workplaces for frontline
healthcare workers!**
